## **Hospitality Services**

PMC has been engaged by the developers of Lake Vonda Resort ([www.lakevondaresort.com](http://www.lakevondaresort.com)), a vacation ownership resort in southwestern Tennessee. Partner David Branson is currently providing financial planning and analysis services and advice on general operational matters as the resort team initiates its marketing programs and prepares to open for guests in late spring.

Our Hospitality practice team will begin marketing its services, on a nationwide basis, to owners of hotel, resort and leisure lifestyle real estate projects in May. Lead by Partners David Branson, Shawn Powell Joseph and Wayne Kalish, PMC will offer its expertise to owners of these niche properties to assist with financial planning and identification for additional capital to accomplish renovations, expansions and adaptive re-use; review and assist in the improvement of operational and real estate business strategies and tactics and, if appropriate, assist with the formation and execution of exit strategies.
