The BP Deepwater Horizon Oil Spill in 2010 set into motion an unprecedented tsunami effect of economic and property damages across 5 states. Through a Court-Supervised Settlement Program, BP has set aside billions of dollars to compensate victims of this massive disaster. PMC has partnered with the premiere Oil Spill Law Firm in the country to provide the most comprehensive Oil Spill Services available. Collectively, our partner firms bring the insight of veteran senior-level executives combined with a team of CPAs and professional legal representatives that have filed thousands of claims and recovered tens of millions of dollars across the economic damage zones.

Are You In the Zone?

If you operated a business in Louisiana, Mississippi, and Alabama or in the Texas or Florida Gulf Coast region you may be entitled to file an economic damage claim.

How does a business get started?

The first step in the process is an evaluation of revenue trends.

- ✓ 40-months of revenue from 2007-2011 (May-December)

Next steps...

A complete claim requires submission of:

- ✓ Monthly financial statements from 2007-2011
- ✓ Federal tax returns from 2007-2011
- ✓ Sales tax returns from 2007-2011, if applicable
- ✓ Documents reflecting the structure or ownership of the business, such as articles of incorporation, partnership agreements, etc.
- ✓ Other information as requested

Why Partner with PMC?

The Court-approved claims specifications are complex. Our Oil Spill Team has an in-depth knowledge of the claims process and a proven methodology that gets results. Our partner firms have filed thousands of claims and recovered tens of millions of dollars for clients.

- ✓ Unparalleled experience and proven results
- ✓ Dedicated team of senior-level executives, forensic accountants, and legal representation
- ✓ Localized service
- ✓ Ongoing communication
